Your wine country wedding...

The Ashby Inn & Restaurant provides an idyllic setting for couples who wish to acknowledge their commitment to one another with friends and family amidst the resplendent natural beauty of the grounds. Drawing inspiration from our surroundings, weddings at The Ashby center on creating a relaxed, convivial atmosphere and feature premium food and drink sourced from our artisan neighbors.

Since no two couples are alike, no two weddings will be either. Recognizing this, each wedding is tailored to the particular wishes of that couple. The staff of The Ashby will guide you through each phase of the planning process and will ensure that your day is truly worthy of a memory that will last a lifetime.
